Description:

Attention!

We are opening the Russian Saturday School!

If you want your child to write competently, read in Russian, be comprehensively developed, then this is for you!

➡️ for children 5-7 years old (learning to read, write, develop speech, memory, word games, game arithmetic, logic, musical development, the world around them).

➡️ for children 7-9 years old,
 (grammar of the Russian language, literature, logic, speed reading, brain fitness secrets.)

This is a new, advanced course that contains the most useful technologies for the development of reading, writing, literacy,

memory, attention and the brain in general.

DURING LEARNING, children will learn:

Read, write, know the rules of the Russian language, enrich your vocabulary!

Easy to memorize any information!

Develop your mental abilities!

Classes:

Classes are held

teacher of the highest category: Martynenko Snezhana Olegovna,

two higher educations; certified trainer of the Eurasian school of speed reading for children, youth and adults.

We are waiting for you in our studio at:
