Event description:

Imagine: endless blue ocean, majestic volcanoes reaching into the clouds, and skies painted in the most incredible shades at sunset. All this awaits you on the "Hawaii Family Vacation" tour from Miami Family Club!

We know how important it is for every family member to have an unforgettable vacation. That's why we have developed a program that will captivate both adults and children.

What awaits you:

Ocean adventures: Swimming in gentle waves, building sand castles on white beaches, surfing lessons for beginners and exciting rides on glass-bottomed boats to admire the underwater world.

Secrets of volcanoes: Exploring the breathtaking landscapes of Hawaii Volcanoes National Park. We will see solidified lava fields, learn about the formation of the islands and, perhaps, even witness amazing geological phenomena (depending on the activity of the volcanoes).

Magical sunsets: Every day we will select the best spots to watch the famous Hawaiian sunsets. The sky will be painted in gold, pink and purple tones, creating the perfect backdrop for family photos and unforgettable moments.

Entertainment for children: Special interactive programs aimed at young travelers. These can be master classes in Hawaiian dances, treasure hunts, games on the beach and fascinating stories about the local flora and fauna.

Comfort and safety: Miami Family Club guarantees a high level of comfort and safety throughout the trip. We have carefully thought out routes, selected the best hotels and cooperate only with trusted guides.

Join us on this unforgettable adventure! Hawaii is waiting for you and your family to give you the brightest memories!
