Listing details

Event title: Everglades tour

Event description:

A fascinating excursion - a tour to the Everglades National Reserve. On the way, during the excursion, you will learn many interesting facts about the nature and diverse fauna of the national park. You will discover new knowledge, take many unusual photos and be surprised by the beauty of the so-called "Florida swamps". In search of wild alligators and other local inhabitants, during the excursion we will ride with the breeze through the expanses of the reserve. You will also learn the history of these places, mysterious cases and who lives right in the swamps today. After the speedboat ride, we will walk through the park and see many alligators and we will also be able to take a photo with a small alligator in our hands. So in the tour program: A small alligator show, a speedboat ride across the reserve, an excursion, interesting facts about animals and plants of South Florida, photos with a baby alligator in your hands! This is a group excursion with a professional experienced guide, which will give you a lot of real positive emotions and impressions! Discount \$ 10 / person for Silver / Gold club members. Guided tour for adults \$ 65 for children \$ 50 Entrance fees to the territory and tickets for the speedboat are not included - \$ 25
